Dear Community Supporter:

It's time for the annual Kiwanis Club of Benicia golf tournament on Thursday, May 23, 2019 at Blue Rock Springs Golf Club. Community support is vital in helping us fulfill the Kiwanis mission which is: **“Dedicated to Changing the World One Child and One Community at a Time”**.

The tournament is our primary fundraiser for Benicia's youth and promises to be better than ever this year, our 17th year, with golf, food, prizes and live auction items! The proceeds support our Benicia and Liberty High School scholarship fund, our AED in Schools project, Cub Scouts and many more programs that support local youth.

Please consider one or more of the golf, sponsorship and donation opportunities:
